ChildLine is the free 24-hour helpline for children and young people in the UK. Children and young people can call our helpline on 0800 1111 about any problem, at any time - day or night. ChildLine_s counsellors are there to help you find ways to sort things out.

ChildLine is confidential - which means we won_t tell anyone about your call unless you want us to talk to somebody for you, or you are in danger.

Our lines can be busy at times, but hold on and you will be answered.
